

Conto TU. Current Account Package for individuals

Customer Needs

A current account with a fixed monthly fee, convenient for carrying out transactions at the branch and via Internet and the Call Center – for all payment instruments, which, at the same time, guarantees innovative banking services and tailor-made non-banking benefits.

Product Overview

TARGET CUSTOMER

Individuals and households seeking a low cost package that meets their basic cash management needs and offers a considerable number of convenient, transparent banking and non-banking services.

HOW IT WORKS

For a fixed monthly fee, Conto TU includes accounting for a certain number of transactions, all quarterly management fees – in the absence of any overdrafts used – as well as the annual fee for two ATM cards, one revolving credit card and the fees for issuing a prepaid registered card. It also offers a series of advantages such as advantageous rates for Genialloyd car insurance policies, and an assistance package from Europ Assistance.

Product Features
